

# LABOR DAY RALLY FOR NORTHWEST AIRLINES STRIKERS

Represented by the Aircraft Mechanics Fraternal Association

Show Your Support, Commitment & Solidarity With Striking  
Mechanics, Cleaners & Custodians At Northwest Airlines

## Northwest Airlines is trying to bust our union.

If Northwest is successful their tactics will be used against other unions at other airlines and in other industries. Management has hired over 1,900 scabs to do the strikers' work. Northwest Airlines CEO Doug Steenland has been quoted recently, "We will never go back to the way it was."

Five thousand Northwest members are affected nationwide. We are calling on all Bay Area labor members, activists and leaders to get behind the strikers and show true commitment, support and solidarity.

## September 5th, 2005
