

**SATURDAY, AUGUST 27TH - 11AM-2PM**

**FROM OAKLAND TO SHANGHAI  
WORKING PEOPLE SAY NO TO  
WAL★MART EMPIRE**

**AND YES TO GOOD JOBS AND JUSTICE!**

Join Oakland residents, organizations and members of the Wal-Mart/Metroport Coalition, in protesting the opening of Wal-Mart's first store in our community. This store will have a devastating impact on East Oakland, by creating hundreds of poverty jobs, driving out local businesses, and using county revenues to subsidize the health care and social services for Wal-Mart workers. East Oakland needs good jobs with good wages more than ever and this Wal-Mart will not make thing better, in fact it will make them a lot worse.

In addition to what Wal-Mart will do to our community, the company has also pushed their anti-worker, anti-woman, anti-immigrant agenda all over the world. The company has made hundreds of billions of dollars in profit off the backs of working people and children everywhere they operate. As working people in Oakland, we need to stand in solidarity with people in Mexico, Puerto Rico, Brazil and China to resist and fight against this evil empire.
